*The Sun is in the Sky* (Tune: *The Farmer in the Dell*)

The sun is in the sky, the sun is in the sky.
Hot and bright, it gives us light.
The sun is in the sky.
The moon is in the sky, the moon is in the sky.
Around and ’round the earth it goes.
The moon is in the sky.
The stars are in the sky, the stars are in the sky.
Twinkly bright, they shine at night.
The stars are in the sky.

*Life on Mars* by John Agee

**FLANNEL**

Four little stars, winking at me.
One shot off, and then there were three!
Three little stars with nothing to do.
One shot off, and then there were two!
Two little stars afraid of the sun.
One shot off and then there was one!
One little star, alone is no fun.
It shot off and then there were none.
